LeetCode

EDUCATION

Guru Gobind Singh Indraprastha University

Bachelor of Technology

Aug 2018 – Aug 2022

Percentage 75.6%

Ramjas Sr.Sec. School

CBSE Board, Second Rank Holder

May 2016 – May 2017

Percentage - 88.3%

Gyandeep Vidya Bhawan Sr. Sec. School

CBSE Board, Second Rank Holder

May 2014 – May 2015

Percentage - 91.6%

COURSEWORK / SKILLS

- Java
- OOPS Concept
- Operating Systems
- Computer Networking
- Web Development
- Data Structure and Algorithms
- Database Management System (DBMS)

PROJECTS

Student Management System | JFrame—SQL

June 2023

- A Student Management System (SMS) is a solution tool meant to collect, store, and manage all data created by a School/college, including a student's grades, attendance, interpersonal activity records, and so on.
- An object-oriented program is thought to have a state and behavior and to provide output accordingly.

Keep Notes | HTML—CSS—JavaScript

May 2023

- Created a keep notes web-app using **Vanilla JavaScript**, **HTML** and **CSS**. It supports features like add, remove, change color, filter and edit tasks.
- Implemented local storage functionality within the browser to ensure persistent data storage, eliminating data loss upon page refresh or reload.

Compressor Decompressor | Java—JavaSwing

May 2023

- Objective is to reduce the bits needed to represent data through Compression Technique.
- In the project, we will ensure that our compressed files can be restored to their original form
- Benefits of compression include saving storage space, speeding up file transfers, and reducing storage hardware and network bandwidth costs

INTERNSHIP

Acciojob

Dec 2022

Software Engineer Intern

- I have been learning and training at Acciojob Company honing my skills and gaining hands-on experience in a wide range of software development domains and responsibilities carried out.
- My expertise includes developing robust backend systems, creating intuitive and user-friendly frontend interfaces, and utilizing data structures and algorithms to solve complex programming challenges.

TECHNICAL SKILLS

Languages: Java, JavaScript, SQL, HTML, CSS

Developer Tools: VS Code, IntelliJ Idea Ultimate, Netbeans

Technologies/Frameworks: GitHub

EXTRACURRICULAR

- Successfully tackled over **150** challenging **Data Structures and Algorithms (DSA)** questions on **LeetCode** showcasing a strong problem-solving aptitude and mastery of key DSA concepts.
- Achieved a remarkable milestone of solving over **500** demanding (**DSA**) questions on the prestigious **Acciojob** portal, attesting to an exceptional level of proficiency and expertise in DSA problem-solving

CERTIFICATIONS

- **5 Stars in SQL**
- Python Basic to Advanced
